New Orleans is all about experiencing the divine through mortal senses. There's joy, from great food to the best concert of your life, and serenity, in the shade between live oaks, or watching fireflies on Bayou St John.' - Adam Karlin, Lonely Planet Writer

#### Our Promise

You can trust our travel information because Lonely Planet authors visit the places we write about, each and every edition. We never accept freebies for positive coverage so you can rely on us to tell it like it is.
