When Belinda startles awake in the middle of the night, she doesn't expect to find two gorgeous men at her bedside.

Max and Levi, her best friends since childhood, suddenly want more than friendship from her. Belinda has always loved them desperately, but she worries sex could ruin everything.

Do Max and Levi want her love, or just her body? Dare she hope their friendship is strong enough to survive the heat?

Be Warned: menage sex (MMF), anal sex, m/m sex, rimming
